COURSE

GENERAL INFORMATION

Looking for a change in careers? Perhaps you are just wanting to update your knowledge on the practical side of taxation or maybe you just want to understand the tax implications relating to yourself or your business. If so, then we have the course for you!

By attending our course, you are making a commitment to your personal and professional development.

This comprehensive course computerised data entry training.

ACCOUNTING GRADUATES & TAX AGENTS

If you have just completed your accounting degree or hold any qualifications in taxation, i.e. you are a qualified tax agent, please include a copy of your resume or Tax Agents Certificate with enrolment. Qualified applicants have often found our course to be an excellent opportunity to update their current level of knowledge in taxation or increase their tax preparation skills.

WHO SHOULD APPLY

If you want to learn more about income tax, how to save on your own tax or how to earn an income as a professional income tax preparer, apply for this course right now!

No previous experience is necessary.

If you are a people person and are good with numbers, we can train you.
Access to the internet is essential.

There are no restrictions as we are an equal opportunity employer. We have expert teachers and supervisors who work in taxation all year round. This course will enable you to acquire a practical knowledge of the preparation of tax returns. Good Oral and written English is essential.
